

## Term 1 Roadshow Coaching EOI

In Term 1, 2026, we're taking part in Hockey Victoria's School Roadshow! The Roadshow brings hockey into the schoolyard, with an experienced coach (supplied by Hockey Vic), working side by side with a WGHA supplied coach to deliver a fun, beginner friendly intro to hockey session.

We're looking for coaches who can attend the Roadshow sessions, assist in delivering a fun program, be the face of the WGHA and hand out flyers so that kids know how to get involved!

We'll even provide you with an honorarium payment for the day, and any training or resources you need to feel confident and ready for action!

### What's the catch?

The Roadshow programs are happening during school hours, when many of our club coaches are likely to be at work, so we're on the hunt for passionate coaches who can be available during school hours! Even if you can take a day off and help run one session, we'd love to hear from you!

Fill out the Expression of Interest to let us know what sessions you might like to attend, and what support we can give you!
